RUSSIA TYUMEN

ESOC 2014

Team officials' meeting

10.03.2014

Middle

- **Roll-call**

- **Reminder of start times**

First start women – 12.51

First start men – 13.30

Start quarantine deadline 13.00.

- **Change in middle courses**

There will be 20 controls for men and 19 controls for women

- **Start quarantine details exactly as during the sprint race**

Start check-in is located in the lobby of the conference room (on 2nd floor of stadium building). Check-in starts at 11.30

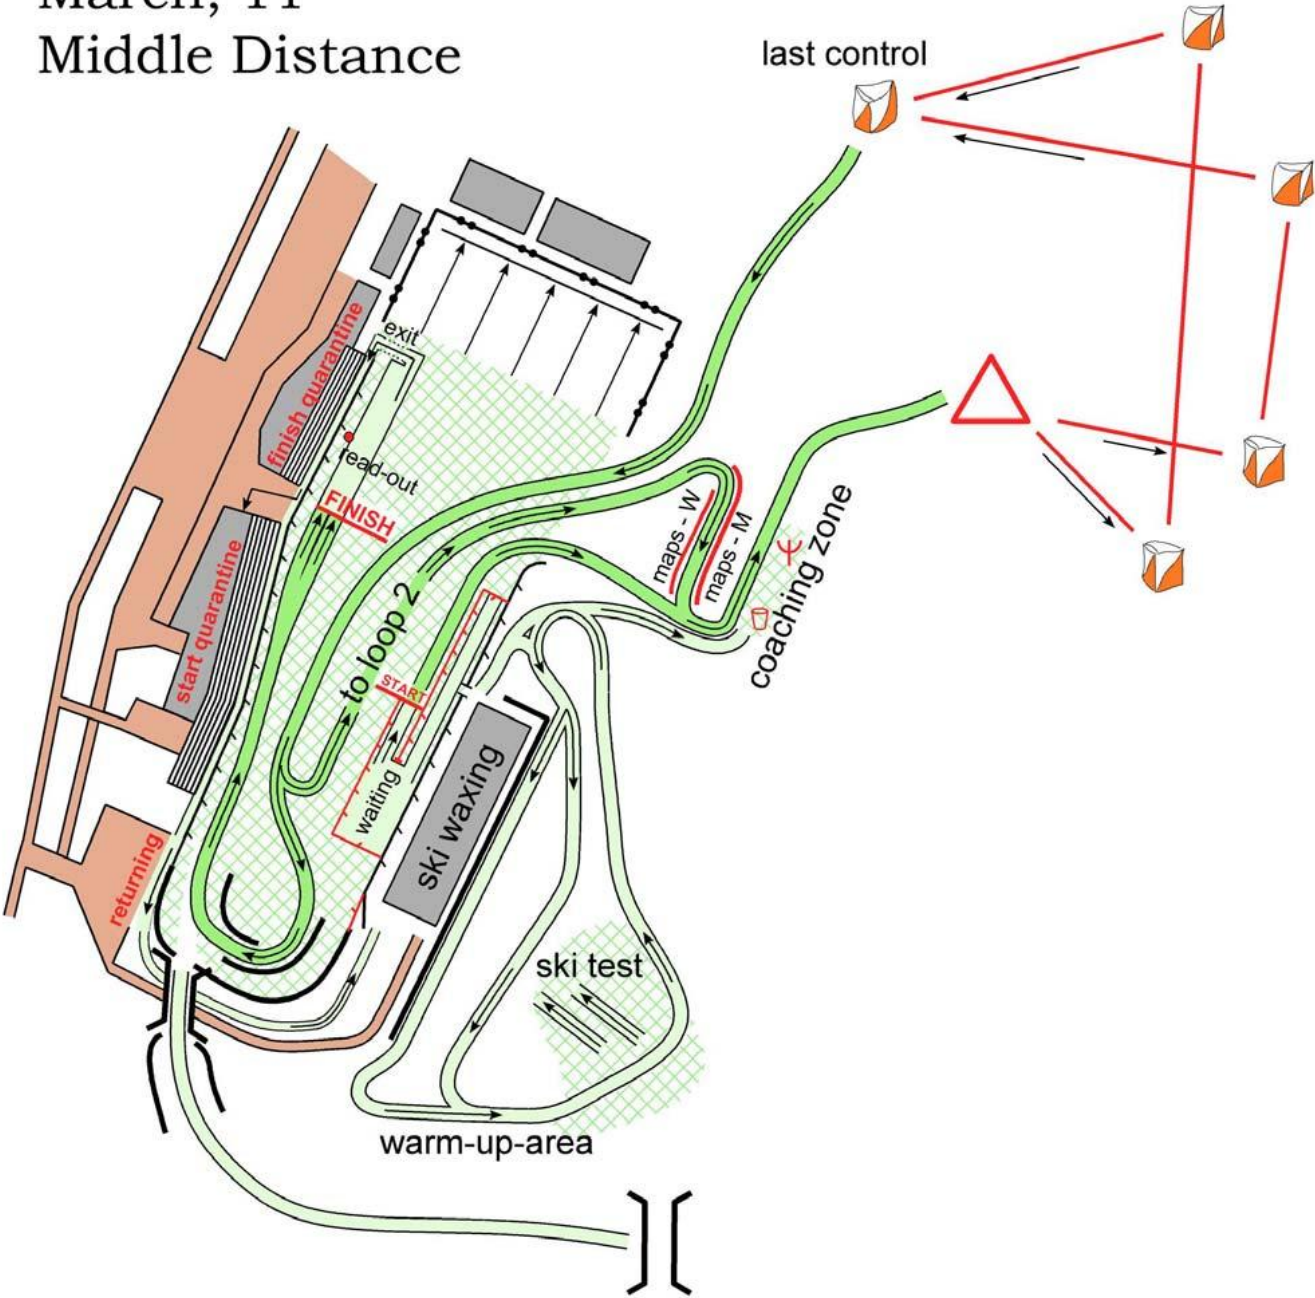

All team members have to check-in before 13.00!

After checking in team members can proceed either to the waxing building for preparations/warm-up (through the 2nd floor gallery) or to the start quarantine area in the conference hall on 2nd floor of the stadium building.

NB! No telecommunication devices are allowed in start quarantine area (from the moment of check-in deadline 13.00 until the start of last man)! Fair play!

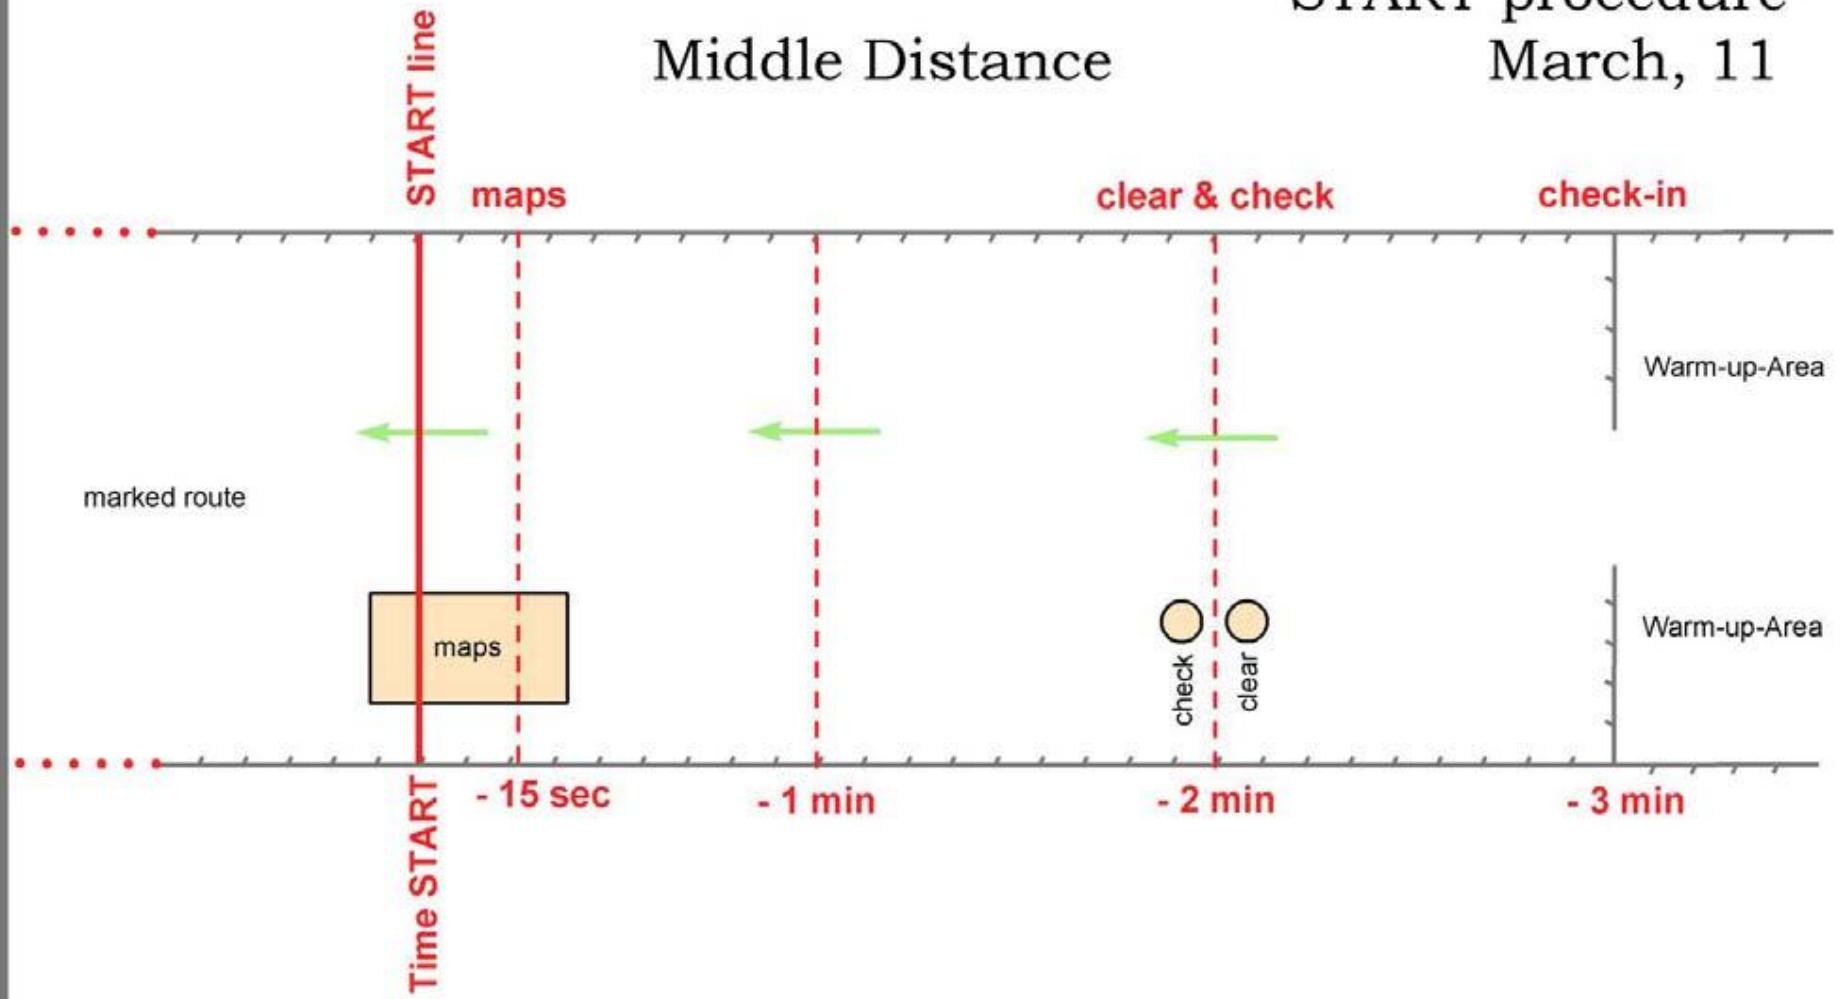

In urgent matters please contact organisers!

March, 11
Middle Distance

START procedure March, 11

Middle Distance

- **Finish quarantine details exactly as during the sprint race**

There will be finish quarantine zone for finished competitors until the pre-start of last woman. Competitors will be guided from finish to quarantine room on the second floor of northern part of the stadium building. Competitors can change clothes in the quarantine and they have access to the tribune for following ongoing competition.

- **Team officials**

A team official, who has left start quarantine /warm-up area for finish, is not allowed to return to start quarantine/warm-up area before pre-start of last woman!

- **GPS tracking**

Competitors selected to carry GPS device are marked in start list.

GPS tracking devices will be handed out at the pre start. We recommend competitors to show up at pre start 2-3 minutes before entering first box.

- **Number bibs**

All competitors will get number vests and numbers for both thighs.

- **Wheather forecast**
